Tom: **A**

m [Intro] **Am F C Am**

**Dm**  
I haven't had the guts no I haven't had the balls  
**Am**  
To tell you all about the thoughts I can't keep out  
**Dm**  
Don't wanna fall asleep I don't wanna fall asleep

But I've been running out of ways to kill all of these sheep  
  
**F** **C Am**  
She's been cumming in my head and there's a devil in our bed  
**F** **C**  
**Am**  
I can not keep her concealed and I can't shake that she ain't  
real  
  
**Dm**  
She tells me that you're dead or that you just picked up and  
left  
**Am**  
And knowing that she lies doesn't dull her piercing eyes  
**Dm**  
When the moon has come and left she's still fucking with my  
head  
**Am**  
Dragging me into bed and never letting me forget  
  
**F** **C Am**  
She's been cumming in my head and there's a devil in our bed

**Dm**  
As my consciousness slips I fall into her grip  
**Am**  
We drink the devil's blood and do some psychedelic trips  
**Dm**  
She's got ocean in her hips and liños in her lips  
**Am**  
And when you're lying in my arms she's still tugging on my  
dick  
  
**C E7 Am F**

It's not easy coming clean but my urges can not wean  
I used to fight but now I fiend
