

The Guest List - London

tom:
Bb

Take me to London Bb

Kiss me on the London eye Cm

Use me to love on Bb

And leave beneath the London sky Cm

Smothered in evening Bb

The drowsy Sun descends Cm

To cover her leaving Bb

And bring our sports to end Cm

But no, you'll never clean the eyes Bb

That saw her there breathing

Well, I know (she's moving away now) Cm

That I could never love a rolling stone Eb Dm Cm

(she's moving away now)

No, I could never leave and carry on Eb Dm Cm

(it wasn't for long, I know) F

To waste my time

Take me to London Bb

Kiss me on the London eye Cm

Use me to love on Bb

And leave beneath the London sky Cm

'Cause happy's the closed eye Bb

And I know (she's moving away now) Cm

That I could never love a rolling stone Eb Dm Cm

(she's moving away now)

No, I could never leave and carry on Eb Dm Cm

(it wasn't for long, I know) F

To waste my time

Well, everytime I drop my guard F7

Ah, shit

She goes away, she goes F7 Bb

Now I recall those times alone Cm

Of who was right and who was wrong Bb

We missed the meaning all along Cm

So when the laughter turns to stone Bb

I'll take the blade and cut to bone Cm

I'll let the water freeze me cold Bb

'Cause what is life if you don't know Eb

That I would give it all for you? Cm

Take me to London Bb

Kiss me on the London eye Cm

Use me to love on Bb

And leave beneath the London sky Cm
