

The Handsome Family - The Bottomless Hole

Tom: **B**

Am (A) **C**
My name, I don't remember

G **Am**
Though I hail from Ohio

Am (A) **C**
I had a wife and children

F **C** **A**
Good tires on my car

F
What took me from my home

C **A**
And put me in the Earth

F
Was the mouth of a deep dark hole

E **Am**
I found behind my barn

Am (A) **C**
We'd been filling it with garbage

G **Am**
As long as you could count

Am (A) **C**
Kitchen scraps and dead cows

F **C** **A**
Tractors broken down

F
But never did I hear one thing

C (A) **Am**
hit the ground

F
And slowly I came to fear

E **Am**
That this was a bottomless hole

Am (A) **C**
I went out behind the barn

G **Am**
And stared down in that hole

Am (A) **C**
Late into the evening

F **C** **A**

My mind would not let go

F
So I got out my ropes and a rusty

C (A) **Am**
clawfoot tub

F
And I rigged myself a chariot

E **Am**
To ride down in that hole

Am (A) **C**
My wife, she did help me

G **Am**
She fed me down the ropes

Am (A) **C**
And then I sank away

F **C** **A**
From the surface of this world

F
When the last rope pulled tight

C (A) **Am**
I had not reached the end

F
And in anger, I swung there

E **Am**
Down in that dark abyss

Am (A) **C**
So I got out my knife

G **Am**
I told my wife goodbye

Am (A) **C**
I cut loose from the ropes

F **C** **A**
And fell on down that hole

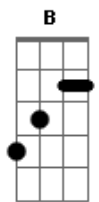

F
And still I'm there falling

C (A) **Am**
Down in this evil pit

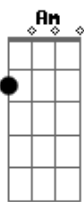

F
But until I hit the bottom

E **Am**
I won't believe it's bottomless
