

# The Heavy Horses - Thirty Year Night

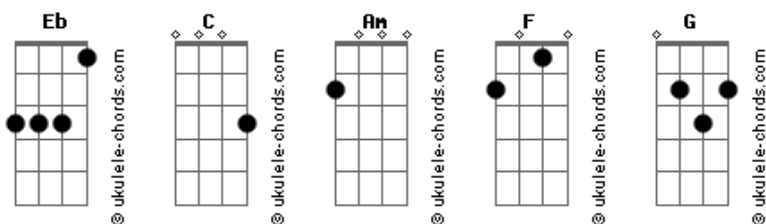

tom:  
Capostrate na 3ª casa  
Intro: **Am**

[Primeira Parte]

**Am**  
The night-time crept quickly  
And finished the last of the Sun  
**Am**  
I closed my eyes and tried hard  
To forget what I'd done  
**Am**  
There's darkness sweeps down  
From above and consumes my soul  
**G** Like night it's so empty and bitterly cold

**Am**  
I'm heavy with burdens  
That shatter my last chance at sleep  
**Am**  
I hear them all crying  
See my poor mother weep  
**Am**  
A guard on my left  
A gavel slams down on my right  
**G** And iron bars close  
On a thirty year night

I scribble a note  
Say I'm sorry that it happened this way  
**Am**  
Exhaling my last breath so free  
Knowing not what to say  
**Am**  
The light burns my eyes  
But I see peace so clear

Feet kicking the air
