

The Heavy Horses - Whispered To My Self

tom: **Bbm** (forma dos acordes no tom de **Am**)
 Capotraste na 1ª casa

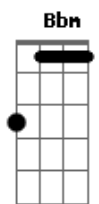

[Primeira Parte]

Am
 In the dirty streets of Laredo
G **Am**
 I saw you standing there
C **Dm** **Am**
 With the moonlight shining on your?cold?black hair
Am
 With the?darkness all around me
G **Am**
 I had trouble?finding words
C **Dm** **Am**
 So I whispered to myself and prayed you'd heard
Am
 Well?you?must?have been an?angel
G **Am**
 Who'd fallen from?the skies
C
 'Cause you turned to me
Dm **Am**
 And I saw heaven in your eyes
 (**G** **Am** **G** **Am**)

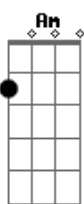

[Segunda Parte]

Am
 You were promised to another
G **Am**
 Who'd wed your heart one day
C
 So you woke one night
Dm **Am**
 And softly slit that fate away
Am
 When I found you in the crisp dawn of morning

G **Am**
 With blood stains on your clothes
C
 With your hands as tools
Dm **Am**
 It was me your heart had chose
Am
 And we went to seek your forgiveness
G **Am**
 Where the red sand turns to clay
C
 And we asked the lord
Dm **Am**
 To wash your sins away

(**G** **Am** **G** **Am**)

[Terceira Parte]

Am
 Then I lost your love forever
G **Am**
 Where the river meets the land
C **Dm** **Am**
 When the swiftness swept your life out of my hands
Am
 And I swear that I could hear laughter
G **Am**
 As the heavens shook and cracked
C **Dm**
 And I cursed the god who, in envy
Am
 Took you back
Am
 And my heart, it raged like the river
G **Am**
 And my tears fell like the rain
C **Dm**
 And I found myself, alone in darkness
Am
 Once again
