

The Heritage - Home (Live)

tom:
Intro: E B Gb

[Primeira Parte]

You looked at Creation in awe
You wanted us to choose You
But knew that we would fall
We made the choice to turn our hearts away
Once clothed in confidence
Now nakedness and shame

[Pré-Refrão 1]

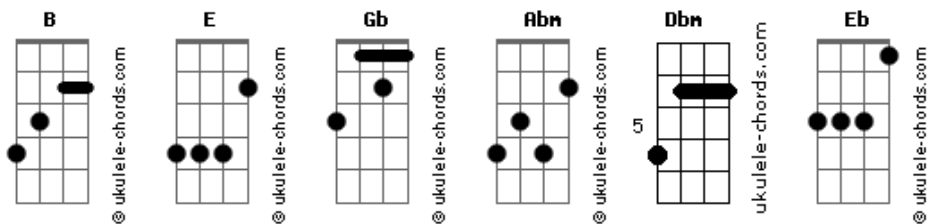

And all creation
Was separated
Your way was better all along
Our sin was great
Your mercy greater
Your way was better all along

[Refrão]

Jesus came, opened the door
Death don't have a say anymore
I'm free, saved, washed by the blood
I found a home in the Father's love

Acordes

[Segunda Parte]

There on the cross Your arms stretched wide
Wider than the chasm
Bridged to the other side
For there I find my strength and hope again
You offer me redemption
And You wash away my sin

[Pré-Refrão 2]

Now You have made me
A new creation
Your way was better all along
Your Spirit's in me
The grave is empty
Your way was better all along

[Turnaround] B E Abm Gb
[Ponte]

I couldn't get to You
The space was far too wide
I couldn't get to You
No matter how I tried
