

## The Heritage - The Promise (Live)

```
I need Him today
              tom:
                                                                  Ab
                                                         It was the power, the presence
              Ah
Intro: Ab
                                                           Bbm Ab
                                                         The promise of the Holy Ghost
[Primeira Parte]
                                                           Fm
                                                         And I need Him
                                                          Eb Db Ab
                                                         I need Him today
I don?t have the power
 Db
        Ab
To do this on my own
                                                         [Ponte 1]
Bbm Ab
How will I ever make it
                                                         I can?t do this on my own
 Fm Eb
And make Your glory known
                                                         I can?t walk this road alone
[Segunda Parte]
                                                         Ab
                                                         I can?t do it by myself
      Bbm
                   Ab
Then I hear the words of Jesus
                                                         I need somebody else
     Db Ab
And the promise that He made
                                                         I can?t do this on my own
Bbm Ab
That soon He would be leaving
                                                         I can?t walk this road alone
     Fm Eb
But His presence would remain
                                                         I can?t do it by myself
                                                         Dh
[Pré-Refrão 1]
                                                         I need somebody else
      Fm Eb Ab
                                                         [Pré-Refrão 2]
He said: Just you wait
                                                                   Fm Eb Ab
For I will send another
                                                         I need the Ho_ly
                                                                          Ghost
   Fm Eb Ab
Though I go a___way
                                                          To flood my soul
                                                          Fm Eb Ab
You?ll never be alone
                                                         I need the Ho_ly Ghost
                                                         Fm Fb
                                                          To give me power
Meio-refrão
It was the power, the presence
                                                         Último Refrão
