

The Hound + The Fox - My Jolly Sailor Bold

tom:

[Primeira Parte]

Em
Upon one summer's morning
Am Em
I carelessly did stray

Down by the Walls of Wapping

Where I met a sailor gay

Conversing with a young lass
Am Em
Who seemed to be in pain
C Em
Saying William, when you go, I fear
B Em
You'll ne'er return again

[Refrão]

Em
My heart is pierced by Cupid
C D Em
I disdain all glittering gold
C Em
There is nothing can console me
B Em
But my jolly sailor bold

[Segunda Parte]

Em
His hair it hangs in ringlets
Am Em
His eyes as black as coal
C Em
My happiness attend him
B Em
Wherever he may go
Em
I left my home and family
Am Em
I'll wander, weep and moan
