

# The Ink Spots - I Don T Want To Set The World On Fire

tom:

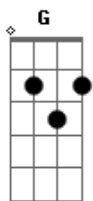

G

I don't want to set the world on fire  
 I just want to start a flame in your heart  
 In my heart I have but one desire  
 And that one is you no other will do

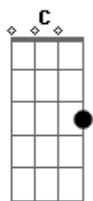

I've lost all ambition for wordly acclaim  
 I just want to be the one you'd love  
 And with your admission that you'd feel the same  
 I'll have reach the goal I'm dreaming of believe me

I don't want to set the world on fire  
 I just want to start a flame in your heart
