

The Interrupters - Gave You Everything

tom:

Intro: G

[Primeira Parte]

It's an emergency, call the police
You left me and abandoned the lease
And I don't know why you're gone
I walk these floors as a country song
Oh, where you been? I called all your friends
They were hush hush on what's happening
And I called your momma too, she never could get through to you

[Refrão]

I don't care if you love me, don't care if you don't
I don't really care anymore
I gave you everything
I don't care if you come, don't care if you go
I don't really care anymore
I gave you everything
I gave you everything.

[Solo] G G G G

[Segunda Parte]

My bags are packed, now you want me back
Now you are the one with the panic attack
The pendulum has swung
Now I don't need you, don't need anyone

Oh, ring, ring, ring, it's a terrible thing

Suffering, you won't stop calling

You're beggin' and you plead

But it's too late for apologies

[Refrão]

I don't care if you love me, don't care if you don't
I don't really care anymore
I gave you everything
I don't care if you come, don't care if you go
I don't really care anymore
I gave you everything
I gave you everything.
