

# The Interrupters - Take Back The Power

Tom: **B**

**B**  
What's your plan for tomorrow  
**E**  
Are you a leader or will you follow **B**  
**E**  
Are you a fighter or will you cower **B**  
**Ab** **Gb**  
It's our time to take back the power

**B**  
Whatcha gonna do  
**E** **B**  
When they show up in black suits  
**E** **B**  
On your street in army boots  
**Ab** **Gb**  
And they're there to silence you  
**B**  
Whatcha gonna say  
**E** **B**  
When they strip your rights away  
**E** **B**  
And the taxman makes you pay  
**Ab** **Gb**  
For every bead of sweat you bled today

**Eb** **E** **B**  
We don't need to run and hide  
**Eb** **E** **Gb**  
We won't be pushed off to the side

**B**  
What's your plan for tomorrow  
**E** **B**

Are you a leader or will you follow **B**  
**E**  
Are you a fighter or will you cower **B**  
**Ab** **Gb**  
It's our time to take back the power

Are you a leader or will you follow  
**E** **B**  
Are you a fighter or will you cower  
**Ab** **Gb**  
It's our time to take back the power

Who you gonna trust  
**E** **B**  
When the judge is so unjust  
**E** **B**  
And the jury must discuss  
**Ab** **Gb**  
Said you don't look like one of us  
**B**  
Where you gonna turn  
**E** **B**  
Now the court has been adjourned  
**E** **B**  
And the lessons that you learned  
**Ab** **Gb**  
Are not as many as the bridges burned

**Eb** **E** **B**  
We don't need to run and hide  
**Eb** **E** **Gb**  
We won't be pushed off to the side

**B**  
What's your plan for tomorrow  
**E** **B**  
Are you a leader or will you follow **B**  
**E**  
Are you a fighter or will you cower **B**  
**Ab** **Gb**  
It's our time to take back the power
