tom:

Intro: **D** **Gbm** **A** **Dbm**
D **Gbm** **A** **Dbm**

D **Gbm**
 I am lost in a rainbow
A **Dbm**

Now a rainbow is gone
D **Gbm**

Overcast by your shadow
A **Dbm**
 As our worlds move on

D **Gbm**
 In this shirt I can be you
A **Dbm**
 To be near you for a while
D **Gbm**
 In this shirt I can be you
A **Dbm**
 To be near you for a while

D **Gbm**
 There's a crane knocking down
A **Dbm**
 All those things that we were
D **Gbm**
 I awake in the night to
A **Dbm**
 Hear the engines purr

D **Gbm**
 There's a pain, it does ripple
A **Dbm**
 Through my frame, makes me lame
D **Gbm**
 There's a thorn in my side
A **Dbm**
 It's the shame, it's the pride

D **Gbm**
 Of you and me ever-changing
A **Dbm**
 Moving on now, moving fast
D **Gbm**
 And this touch must be wanting
A **Dbm**

Must become free to act

D **Gbm**
 But I need, Jake to tell you
A **Dbm**
 That I love you, it never rests
D **E** **Gbm**
 And I bled, every day now
A **Dbm**
 For a year, for a year

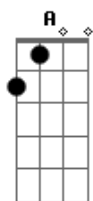

D **Gbm**
 I did send you a note
A **Dbm**
 On the wind for to read
D **Gbm**
 Our names there together
A **Dbm**
 Must have fallen like a seed

D **E** **Gbm**
 To the depths of the soil
A **Dbm**
 Buried deep in the ground
D **E** **Gbm**
 On the wind I can hear you
A **Dbm**
 Call my name, held the sound

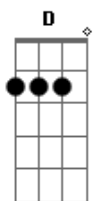

I am lost
D **Gbm**
 I am lost in a rainbow
D **A** **Dbm**
 Now a rainbow is gone
D **Gbm**
 I am lost in a rainbow
E **A** **Dbm**
 Now a rainbow is gone
D **E** **Gbm**
 I am lost, I am lost
E **A** **Dbm**
 I am lost, I am lost
D **E** **Gbm**
 I am lost

[Final] **E** **A**
