We met in a bar ^E
 Out on Chesapeake Bay ^B
 With her white patent boots ^{Dbm}
 And her blouse red lame ^A
 A table top dancer ^E
 She would smile on cue ^B
 Those lips of an angel ^{Dbm} ^A
 Angel in blue ^E
 She's been dancing for ages ^E
 Though cities of bars ^B
 She was kickin' the habit ^{Dbm}
 of scoring in cars ^A
 She'd been drained of her spirit ^E
 All caged in this zoo ^B
 A wildcat angel ^{Dbm} ^A
 Angel in blue ^E
^{Dbm} ^B

And as she stared out into nowhere ^{Dbm}
 I thought, yes, I thought she might break down and cry ^B
 When I whispered I thought I could love her ^{Abm} ^A
 She just said "Baby, don't even bother to try" ^E ^B
 And I watched as she spoke ^E
 Her words chilled my bones ^B
 All her friends did her favors ^{Dbm}
 That were really just loans ^A
 And she never had dreams ^E
 So they never came true ^B
 The palest of angels ^{Dbm} ^A
 Angel in blue ^E
 And the bees they had stung her ^E
 The birds they had flown ^B
 There were guys she could number ^{Dbm}
 But none she had known ^A
 And she never had dreams ^E
 So they never came true ^B
 My fade away angel ^{Dbm} ^A
 Angel in blue ^E ^{Dbm} ^E
