

The Jimmys - All In Vain

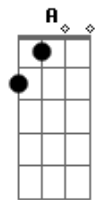

tom:

A

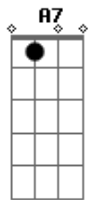

I gave you my love
But you threw it away
You were my everything baby
But you left me to disgrace

I went out on the lonely night
Searching for a person to sleep by my side
I couldn't find you
You left a hole in my heart

(A7 D7)

And i'm just beggin' you
Please get out my mind
And i'm just beggin' you
Please get out my mind
I just wanna forget you
But you don't seem to get it
I don't wanna remember us
And suddenly regret it
