tom:

Capo: 2ª casa

Intro:

"You got what I like, but that don't mean it's right, I don't know myself"

"But you don't know either"

"If the world around you is changing like the weather, you could freak out baby or sit back and watch it change"

"It's a lonely life but you could make it better, just remember (ohhhhh) the devil's in the detail"

"Take me far away 'cos now I can't see straight, the sky is out my feet and I can't walk I don't know"

"Why are you so far away from me the ocean spits us down the meadow"

"But you don't know either"

"If the world around you is changing like the weather, you could freak out baby or sit back and watch it change"

"It's a lonely life but you could make it better, just remember (ohhhhh) the devil's in the detail"
