[Primeira Parte]

Am Em D C
Girl, did we move way too fast?

Am Em Dm C
Or is it because we let everyone in on what we had?

Am Em D C
I'm not tryna walk you back

Am Em Dm C
You know that if nobody else gets it, I understand

F Am Em
The pressure you face isn't fair, no

Bm C D Em
I wish I could take it all away from you, but I can't

F Em
Yeah, I see the things that they can't, yeah

[Pré-Refrão]

Bm C
So can we talk about it?

D Em
Don't wanna talk too loudly

[Refrão]

Bm C
Hurt in your eyes

D Em
We feel the same kind of pain

Bm C D
And it only gets worse with time (Only gets worse)

Em Bm C D
Uh, and everything that we say and we do gets heard

C D Em
And I think (Oh yeah) they put a strain on our love that we didn't deserve

Bm C
Next time, I'm keepin' it private (Private)

C D Em
Could have worked it out (Could have worked it)

D Em Bm C
'Cause I know I was bad, but it could've been worse somehow

(Said it could have been)

D Em
Uh, and everything that we built, we just watched them burn it down

Bm C
(Burn it down)

D Em Bm
They put a strain on our love that we didn't deserve

C D Em
Next time (That they really did), i'm keepin' it private, baby (Uh)
