

The Kid LAROI - Where Does Your Spirit Go

tom:
 Fade away ^{Db} in the dark and you're never comin' back ^{Fm}
 No comin' back ^{Ab}
 I saw the look on your face when it changed and you weren't ^{Bbm} lookin' back ^{Ab}
 No comin' back ^{Ab}

[Chorus]
 Numb today, but tomorrow I'll feel it ^{Bbm}
 Truth is worse every time that I hear it ^{Gb}
 Know you're gone but tell me, where did your spirit go? (Woah, oh) ^{Ebm}
 Run away from the way that I'm feeling ^{Bbm}
 Maybe that's just the way that I'm healing ^{Gb}
 Know you're gone but tell me, where did your spirit go? ^{Ebm}
 I just don't get it ^{Gb}

[Post-Chorus]
 All the things I wish I would've said before you took your last breath ^{Gb}
 How'd you build me up just to leave m? now? (Woah-oh) ^{Ab}
 And I just don't know where to go ^{Db}
 Oh, tell m? where it goes? (Ooh, woah-oh) ^{Gb}
 Oh, I just don't know ^{Ab}

[Verse]
 Call you whenever I'm drunk ^{Gb}
 Then I'll remember you're gone ^{Ab}

Wish I could hear what you said ^{Fm}
 Hope that I'm all that you saw ^{Gb}
 I'm takin' all that you taught ^{Bbm}
 Blood comin' up when you cough ^{Ab}
 Coldest December I saw ^{Gb}
 Tryna hold onto your soul ^{Gb}
 Fuck all the letting you go ^{Ab}
 I'll never let you go

[Chorus]
 Numb today, but tomorrow I'll feel it ^{Bbm}
 Truth is worse every time that I hear it ^{Gb}
 Know you're gone but tell me, where did your spirit go? (Woah, oh) ^{Ebm}
 Run away from the way that I'm feeling ^{Bbm}
 Maybe that's just the way that I'm healing ^{Gb}
 Know you're gone but tell me, where did your spirit go? ^{Ebm}
 I just don't get it ^{Gb}

[Post-Chorus]
 All the things I wish I would've said before you took your last breath ^{Gb}
 How'd you build me up just to leave m? now? (Woah-oh) ^{Ab}
 And I just don't know where to go ^{Db}
 Oh, tell m? where it goes? (Ooh, woah-oh) ^{Gb}
 Oh, I just don't know ^{Ab}
