

The Kid LAROI - Without You

tom:

Am

You cut out a piece of me, and now I bleed internally

C **G**

Left here without you (no, no, no), without you (ooh, ooh)

Am **F**

And it hurts for me to think about what life could possibly be like

C **G**

Without you (no, no, no), without you (no, no)

Am **F**

I can't believe that you wouldn't believe me

C

Fuck all of your reasons

G

I lost my shit, you know I didn't mean it

Am **F**

Now I see it, you run and repeat it

C **G**

And I can't take it back, so in the past is where we'll leave it, uh

Am

So there you go, oh

F

Can't make a wife out of a ho, oh

C

I'll never find the words to say I'm sorry

E

But I'm scared to be alone

Am **F**

You cut out a piece of me, and now I bleed internally

C **G**

Left here without you (no, no, no), without you (ooh, ooh)

Am **F**

And it hurts for me to think about what life could possibly be like
