

The Killers - A White Demon Love Song

Tom: **C**

F
White demon love song down the hall
Em
White demon shadow on the road
F
Back up your mind, there is a call
Em
He isn't coming after all
D G
Love this time
D Em
She likes the way he sings
Am G F
White demon love song's in her dreams

F
White demon, where's your selfish kiss?
Em
White demon sorrow will arrange
F
Let's not forget about the fear
Em D
Black invitation to this place that cannot change
G D Em F Em Am
While strangely holy, come for a rain
D
(darling)

(refrão)
C Bm Em Am
White demon, widen your heart's scope
D Bm Em Am

White demon, who let your friends go?
C Bm Em Am
White demon, widen your heart's scope
D Bm Em Am G
White demon, who let your friends go?
C
Let us be in love
(let us be in love)
G
Let's do old and grey
(let's do old and grey)
C
I won't make you cry
(I won't make you cry)
G Em
I will never stray
(I will never stray)
Am D
I will do my part
(I will do my part)
Am Bm
Let us be in love tonight

(same as chords as chorus)
White demon, widen your heart's scope
White demon, who let your friends go?
White demon, widen your heart's scope
White demon, who let your friends go?

(stand it anymore, darling)
(stand it)

(I can't stand it anymore, darling)
(stand it)
