

The Killers - Everything Will Be Alright Solo

Tom: **Bb** 5.15

Hey, I noticed the complete lack of a tab for this solo at the end of 'Everything
 tab is pretty accurate and follows the solo well. Just play about with it and make it fit, I've added some timings so people can get a better idea of where they are :)

 The last bit post 5.25 is not perfect and is quick and quite tricky, it does seem to a major scale upto fret 20 so play around and see if you can improve on it :)
