Shakin' like the Devil when she lets me go
Got a new place, and how it's so much better

Falling over myself, the televisions' on,
I turn it off and smile

G Ab A **Bb**
Before you say goodbye

A A A A A Ab

Db
Leave the bourbon on the shelf
And I'll drink it by myself
And I love you endlessly,
Darling don't you see I'm not satisfied
Until I hold you tight
Give me one more chance tonight
And I swear I'll make it right

Bb
But you ain't got time for this
Ab
And that wreckin' bell is ringin'
Gb
And I'm not satisfied
Ab
Until I hold you
Db **Gb**
Jennifer, tell me where I stand
Bbm **Ab** **Ab**
And who's that boy holdin' your hand?
Bb **Gb**

G Ab A **Bb**
Before you say goodbye

A A A A A Ab

Leave the bourbon on the shelf
And I'll drink it by myself
And I never liked your hair or those people that you lie with
But I'm not satisfied
Until I hold you tight
And I love you endlessly,
Darling don't you see I can't be satisfied
Until I hold you tight

Leave the bourbon on the shelf
And I'll drink it by myself
And I love you endlessly,
Darling don't you see
I'm not satisfied
