The Killers - Smile Like You Mean It

Tom: A

This is the part at the start which begins quietly but gradually gets louder.

(Where it gets louder and drums start playing)

Save some face, you know you've only got one Change your ways while you're young Boy, one day you'll be a man Oh girl, he'll help you understand Smile like you mean it Smile like you mean it

Looking back at sunsets on the Eastside We lost track of the time

Acordes

Dreams aren't what they used to be Some things slide by so carelessly

Smile like you mean it Smile like you mean it

And someone is calling my name From the back of the restaurant And someone is playing a game In the house that I grew up in And someone will drive her around Down the same streets that I did On the same streets that I did

Smile like you mean it Smile like you mean it Smile like you mean it Smile like you mean it

Oh no, oh no no no Oh no, oh no no no
