Verse 1:

Well maybe I was mistaken, I heard a rumour that you quit this day and age.

Well maybe I was mistaken.
(G) Am (Bb)

Bless your body, bless your soul, pray for peace and self-control.

I gotta believe it's worth it, without a victory I'm so sanctified and free.

Well maybe I'm just mistaken.
Lesson learned and the wheels keep turning.

Chorus 2:

This is the world that we live in, I can't take blame for two.
This is the world that we live in, and maybe we'll make it through - aaah.

Verse 2:

(G) Am (Bb)

Bless your body, bless your soul, reel me in and cut my throat.
Underneath the waterfall, baby we're still in this - woah, yeah!

This is the world that we live in.

I guess it's the world that we live in, it's not too late for that.

This is the world that we live in, I know we can't go back.
This is the world that we live in, I still want something real.

This is the world that we live in, I know that, we can heal,
Over time (This is the world that we live in.)
