The Killers - Uncle Jonny

```
Fb
When everybody else refrained,
My uncle Jonny did cocaine
   Bb
He's convinced himself right in his brain
That it helps to take away the pain
  Bb
Hey Jonny...
Bb Eb
           Hey what you say Jonny?
 Bb
              Eb
I wanna go out tonight
             Bb
Come a little closer to the city lights
 Bb
Levitation ain't your only friend
 Bb
                    Bb
Levitation coming back again
You feel the burning in your body's core
    Bb
It's a yearning that you can't ignore
    Bb Eb
And I wanna go out tonight
          Bb
So trust the superman and hold on tight
He's convinced himself right in his brain

```
Hey what you say Jonny?
(Bb, Eb)
My appetite ain't got no heart
I say my appetite ain't got no heart
Shocking people when you feel that pull
Shock 'em jump 'em when you know its full
I feel a burning in my body core
It's a yearning that you can't ignore
And I gotta go out tonight
"Hey Jonny I've got faith in ya man!
I mean it, its gonna be all right"
He's convinced himself right in his brain
(C#, C#, Bb, G#, F#, Ab)
That it helps to take away the pain
Hey Jonny...
Hey what you say Jonny?
