

The Killers - Under The Gun

Tom: D tied up to a dream..

Main Riff played through the verse, let notes ring through she can set him free..
halo and wings..

angel for sure Kill me now..

it's too late..

angel's kiss was a joke..

sends and heaven takes.. The single notes below are used with a harmonic effect
Stupid on the streets of London

cars in his brain.. James Dean in the rain

tied up to a dream.. Without her
It's not the same

she can set him free.. The same, the same

Kill me now.. But it's alright

criminal mind... Because heaven sends..

life is under the gun.. cars in his brain..

he just wants to wake up.. tied up to a dream..

she's an angel for sure.. she can set him free..

sends and heaven takes.. and then he says to me..

cars in his brain.. Kill me now..

Again and again..
