

The Kills - The Last Goodbye

Tom: **Gb**

Gb **Bbm** **Ebm**
It's the last goodbye, I swear
Gb **Bbm** **Abm**
I can't rely on a dime-a-day love
Db
That don't go anywhere

Gb **Bbm** **Ebm**
I learn to cry for someone else
Gb **Bbm** **Abm**
I can't get by on an odds and ends love
Db
That don't ever match up

Bm
I heard all you said
Db
And I took it to heart

Gb **Bbm** **Ebm**
I won't forget, I swear
Gb **Bbm**
I have no regrets
Abm
For the past is behind me
Db **Bm** **Db**

Tomorrow reminds me just where
(**Gb** **Bbm** **Ebm**)
(**Ab** **Eb**)

Db **Fm** **Bbm**
Can't quite see the end
Db **Fm** **Ebm**
How can I rely on my heart if I break it
Ab
With my own two hands

Gbm
I heard all you said
Ab
And I love you to death
Gbm
I heard all you said
Ab
Don't say anything

Db **Fm** **Bbm**
It's the last goodbye, I swear
Db **Fm** **Ebm**
I can't survive on a half-hearted love
Ab
That will never be whole
