

# The Kinks - Only a Dream

Tom: **D**

**D**  
**D**  
Standing by the elevator feeling gloomy and down  
**D**  
**D**  
Waiting for the flashing light to lift me off from the ground  
**D**  
**D**  
Then the elevator opened and I saw her standing there

**G**  
She had to be a young executive she looked so corporate and clean  
**G**

**D**  
And swear I'd seen her somewhere before  
**D**

**D**  
On the cover of a magazine  
**A**

I didn't think she'd even look at me  
**G**

Or bother to glance my way  
**D7**

But she actually smiled at me and said

"Hiya handsome, have a good day"

CHORUS:

**D**  
**D**  
I must be dreaming if she looks at me  
**D**

**D**  
I gotta be dreaming is it a fantasy  
**G**

**D**  
Now I got positive emotion buzzing round every molecule in me  
**D**

I gotta be dreaming is it reality  
**A**

But over and over I'll relive that memory  
**D7**

Was it real or only a dream  
**D**

Na na na na na na na na  
**C**

**C**  
Was it my imagination playing tricks on me when she looked my way?  
**C**

Maybe she took me for somebody else  
**A**  
**G**  
**A**

Whatever it was, it made my day

**D**  
**D**  
I wake up in the morning, smiling with anticipation  
**D**  
**D**  
**D**

Suddenly I feel alive, I face the world with expectation  
**G**

I must be dreaming, is this a smile upon my face?  
**D**  
**D**

I gotta be dreaming, the world is a better place  
**A**

Was it my imagination playing tricks on me?  
**D7**

Was it real or only a dream?  
**C**  
**G**  
**D**

I see a great big sunset where only clouds used to be  
**C**  
**G**

Was it only an illusion  
**A**  
**G**

**A**  
If its fantasy, if its just a dream it's good enough for me  
**D**  
**D**  
**D**

Waiting by the elevator feeling optimistic and clean  
**D**  
**D**

Waiting for my executive goddess to appear as if in a dream  
**D**  
**D**  
**D**

Then the elevator opened, she was talking to another guy  
**D**  
**D**  
**D**

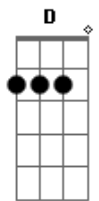

And I tried to say hello to her, but I failed to even catch her eye,  
**A**  
**G**

Then everybody crowded inside and I sadly stood my ground, thinking  
**D7**

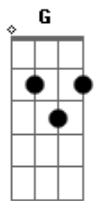

Life's just like that elevator, it takes you up and brings you down  
**D**  
**D**

I must be dreaming. . .
