

The Kooks - Do You Love Me Still?

```
Tom: E
  (intro) E Gbm Dbm
I have thought that you have come back lately
E Gbm Dbm
to take my soul away from me
         Gbm
cause when i see you
Dbm
you rip my heart out
                    Dbm
        Gbm
but all the same you're not to blame
E Gbm Dbm
baby baby i love you still
             Gbm
                          Dbm
But i need your heart beating next to my heart
 Dbm B
in love i am
      Gbm
                     Dbm
                             Α
i need your heart beating next to my heart
 Dbm B
in love i am
       Gbm
                 Dbm
Do you remember how i met you child
```

```
Gbm Dbm
i was down and i fell for you completely
E Gbm Dbm
when i wanted your heart and
    Gbm
                    Dbm
you didn't want me now you did
Dbm
but now you did
            Gbm Dbm
But i need your heart beating next to my heart
Dbm B
in love i am
              Dbm A
E Gbm
i need your heart dancing next to my heart
 Dbm B
in love i am
E Gbm Dbm
Baby do you love me still
E Gbm Dbm
cause i miss you
 E Gbm
i miss you
Dbm
baby
     A - Gbm - E
Dbm
i miss you
```
