Tom: D
Intro: / Verso:

Refrão:

I'm gonna take you down to the market, lover Cuz that's where the trouble starts You gotta get it into your heart There are people out there to make you feel bad But don't you listen, baby don't you listen Because I know you feel that way

But I'm getting so tired of people always crossing my wires

Life's just far too short for miscommunication

I'm gonna take her down to the market today Cuz that's where the trouble starts You don't want nobody else There are people out there to make you feel good But don't you listen, baby, don't you listen Because you know they want it all

But I'm getting so tired of people always crossing my wires Life's just far too short for miscommunication.

Oh I'm getting so tired of people always crossing my wires Life's just far too short for miscommunication.
