

# The Kooks - Forgive & Forget

Tom: B

Don't say that I never moved you  
Just because I saw the life before you did  
And yes I know that I never showed you  
All the rooms inside my soul

Yeah!  
Yeah!

You say you need someone to love you  
But it ain't me...

Walking up and down the hall  
Frankie and his third lover  
Speaking all the words she wants to hear  
But that don't mean forever

Yeah!  
You say you need someone to love you  
But it ain't me...

Sitting down by the fire  
Frankie plays the guitar  
To people playing make believe  
They say: "Can we get a little higher?"

You give it away x4

So easy Baby  
But I can't stand an hour break, another day  
So let me make it easy Babe  
And it goes on and on and on and on  
on and on and on

Packing her bags, she found somewhere to stay  
And in the car to the station  
You know the world a little brighter  
And then there's no need for conversations...Tell me why

You give it away x4  
So easy Baby  
But I can't stand an hour break, another day  
So let me make it easy Babe  
And it goes

Yeah! You say you need someone to love you  
Yeah!  
You say you need someone to love you  
But it ain't me...

Yeah!  
So I forgive and forget you  
You say you need someone to love you  
But it ain't me...
