

# The Kooks - Is It Me

Tom: E

Is it me, is it you  
Is it the times that we're living through  
Was it hard when I had to leave  
That day you seemed to change  
We all need someone to guide us  
Someone to introduce the show  
I needed someone just like you  
Someone to let me know  
I could loose it all

Refrão:

Well I began to breakdown  
Searching overtime  
Bring me a pigs heart  
And a glass of wine

There was nothing that you could of done  
There was nothing that you should've said  
We're both still chasing shadows in our hands  
It was all to soon
