[VERSE ONE]

**D** **A** **G**  
Junk of the heart is junk of my mind

So hard to leave you all alone

We get so drunk we can hardly see

What use is that to you or me, baby?

[PRE-CHORUS]

**F** **Bb**  
See I notice nothing makes you shatter, no no  
**F** **Bb**  
You're a lover of the wild and a joker of the heart  
**A7**  
But are you mine?

[CHORUS]

**Bm**  
I wanna make you happy  
**Gbm** **G**  
I wanna make you feel alive  
**Gbm** **D**  
I wanna make you happy  
**Gbm** **G**  
I wanna make you feel alive at night

I wanna make you happy

You're a good girl, good night

But are you mine?

I wanna make you happy

I wanna make you feel alive at night
