

The Kooks - Ooh La

Tom: **D**

In their eyes is the place that you finally discovered

That you love it here, you've got to stay

On this rock, not a rock but an island

On which you found a lover then you twitch

You feel that itch in you pettycoat

Your pretty pretty pettycoat

Then you smiled, he got wild

You didn't understand that there's money to be made

Beauty is a card that must get played

By organisation

And ooh la, she was such a good girl to me

And ooh la, the world just chewed her up, and spat her out

And ooh la, she was such a good girl to me

And ooh la, the world just chewed her up, and spat her out

The world can be a very big place

So be yourself don't be out of place

Love your mum and love him twice

Go to Hollywood and pay the price

Oh go to Hollywood

And don't be a star, it's such a drag

Take care of yourself, don't begin to lag

It's a hard life to live, so live it well

I'll be your friend and not to pretend

I know you girl

In all situations

And ooh la, she was such a good girl to me

And ooh la, the world just chewed her up, and spat her out

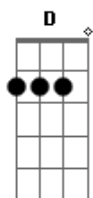

And ooh la, she was such a good girl to me

And ooh la, the world just chewed her up, and spat her out

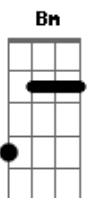

Pretty pretty pretty pretty pretty pretty pretty pretty pretty
Pretty pretty pretty pretty pretty pretty pretty pretty pretty
Pretty pretty pretty pretty pretty pretty pretty pretty pretty
Pretty pretty pretty pretty pretty pretty pretty pretty pretty
In all situations
