The city freeze for

I just realised I don't like you
Me and my girl
Are going out for some air
And I will do my best
Just to get under her dress
And catch you out if I can
On the other side of my sofa

So, baby, come on over
At the side of my sofa
Oh! won't you come on over?

The city heated up it
It got blurry cause I'd had enough
And he tried to take your soul
But didn't realise you keep it in a different hole

So, baby, come on over
At the side of my sofa
Oh! won't you come on over?

So here he comes, a man with
A loaded gun, I don't know if he
Wants my soul or my
Cash flow, I s'pose I don't know

So here he comes, a man with a
A loaded gun I don't know if he
Wants my girl's heart or her pearls
I s'pose I don't know
I s'pose I don't know
I s'pose I don't know
I s'pose I don't know
I s'pose I don't know

any mistakes?
