

# The Last Dinner Party - Mirror

tom:

Intro: Am D Am D

[Parte 1]

This is the only thing  
I know how to do  
Make the keys turn red  
And my lips turn blue  
I break on the pavement  
You could swim in these eyes  
Cause I'm no good  
Till I crack  
She's there when I wake up  
At the end of my bed  
With a smile on her face  
And a gun to my head

[Pré-Refrão]

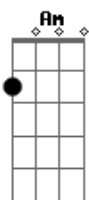

And lately I've been thinkin'  
What if I keep sinking?  
If I drown will they make me a star?  
When you drown  
Do they know who you are?

[Refrão]

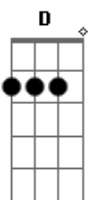

I'm just a mirror  
Break my glass to fix your heart  
I'm just a mirror  
Pretty glass, an empty heart  
I'm just a mirror  
I don't exist without your gaze  
I fade away  
I fade away  
I fade away

I'm on the hunt for a something

Warm about th? flesh

Is it in this city

Is it in your bed?

Pull out with the sunrise

No one else is to blame

I'll leave you flowers

But not my name

[Pré-Refrão]

'Cause lately I've been drinkin'

I need to slow my thinkin'

Tell me how you're feeling

I'll reflect the reason

When I drown

Will I get very far?

When you drown

They'll forget who you are

[Refrão]

I'm just a mirror  
Break my glass to fix your heart

I'm just a mirror  
Pretty glass, an empty heart

I'm just a mirror  
I don't exist without your gaze

[Interlúdio]

[Final]

I fade away

I fade away

I fade away
