 Wish I could do without
 Bm
 This blood on my face

 Where your teeth sunk in

 Bite me again

[Refrão]

D Gbm G D
 When it's 4AM and your heart is breaking
 Gbm G Em
 I will hold your hands to stop them from shaking
 A Bm D
 If it takes all night, I will be on your side

[Segunda Parte]

D Bm Gbm A
 Back to the olive mount you lead me to
 D Bm Gbm A
 The wind was blinding so I clung to you

And you smiled so sweetly as you threw me
 Gbm
 Down the rocks into the seaweed
 D Bm Gbm
 You thought that I could fly

[Pré-Refrão]

 And I wish I didn't want you
 Gb
 Wish I could do without
 Bm
 This blood on my face
 A
 Where your teeth sunk in
 G
 Bite me again

[Refrão]

D Gbm G D
 When it's 4AM and your heart is breaking
 Gbm G Em
 I will hold your hands to stop them from shaking

 When you're lying here, I believe you love me
 Gbm G Em
 You can hold my hair back when you kiss me

 If you stay all night, I will be on your side

 When it's 4AM and your heart is breaking

 I will hold your hands to stop them from shaking
