The Last of Us - Take On Me

```
                                tom:
                        B

                        Dbm        Gb
We're talking away
B                       E          B
I don't know what I'm to say
        Dbm          Gb
I'll say it anyway
    B                   E          B Dbm
Today's another day to find you
              Gb Abm
Shying away
                            E
I'll be coming for your love, ok?
   B     Gb   Abm E Gb
Take on me
B        Gb   Abm
Take me on
B        Gb   Abm E
I'll be gone
```

```
                    B   Gb Abm E
In a day or two
        Dbm             Gbm
So needless to say
            B           E
I'm odds and ends
                B       Dbm        Gb
But I'll be         stumbling away
     B                      E      B Dbm
Slowly learning that life is ok
             Gb Abm
Say after me

B      Gb Abm E Gb
Take on
B      Gb    Abm E Gb
Take me on
B      Gb   Abm E
I'll be gone
                    B   Gb Abm E
In a day or two
```
