

The Last Shadow Puppets - Gas Dance

tom:

Intro: ^{Em} ^C ^{Em}

^{Em}
There she was

Graciously making forever less terrifying ^C

And you've got the nerve ^{Em}
to intervene

with a coloring book and a byro and a point to prove ^C

And now you want a word ^{Em}

(^{Em} ^C ^{Em})

^C ^{Bm} ^{Em}
And you washed all the wisdom out your mouth

^C ^{Bm} ^{Em}
and the gas danced on the edge of your bottom lip

^C ^{Bm} ^{Em}
Quick to scurry back behind the night

^C ^F ^{Em}
To avoid the silent fight and the struggle

^{Em}
There I was

Panicking because someone else kissed me in a dream ^C

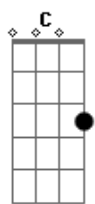

and it was on the cheek ^{Em}

And you stamp your feet

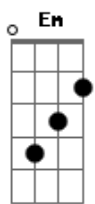

and I'm moving from bored to appalled by these poignant fumes ^C

that you must inflict ^{Em}

(^{Em})

^{Em}
Took a solid breath

To a little rip

I've got to carry your broach to cover that hideous stitch ^C

All that grim repair ^{Em}
and we're all upset

See the fear in your cheeks

and I still smell the lies on your breath ^C

And your jokes don't bounce ^{Em}

and you've entered the early stages of bitterness ^C
