

# The Last Shadow Puppets - Miracle Aligner

Tom: **A**

[Chorus]

**D**  
Tell him what you want and baby he can find you anything you need,

Tell him what you're needing. **Bm A**

**D**  
Come on Miracle aligner, go and get 'em tiger,

Get down on your knees,

Get down on your knees again. **Bm A**

[Verse]

**E Abm**  
Fifty feet tall and revved up too high,

All of our exchanges are by candle light, **D**

I just realised. **Dbm**

**E Abm**  
He'll walk through the walls and creep up behind, **D**

Make sense of the maze that you were stuck outside, **Dbm**

Cover your eyes.

[Pre-Chorus]

**Gbm B**  
Often the humble kind but he can't deny,

**Ab A**  
he was born to blow your mind,

**Am E**  
Or something along those lines,

**D**  
Tonight.

[Chorus]

**D**  
Tell him what you want and baby he can find you anything you need,

Tell him what you're needing. **Bm A**

**D**  
Come on Miracle aligner, go and get 'em tiger,

Get down on your knees,

Get down on your knees again. **Bm A Bm Gbm**

[Verse]

**E Abm**  
So what's the wish, he'll make it come true, **D**

Simple as a line out of a Doo Wop tune, **Dbm**

He'll make the moves.

[Pre-Chorus]

**Gbm B**  
Often the humble kind but he can't deny,

**Ab A**  
he was born to blow your mind,

**Am E**  
Or something along those lines,

**D**  
Tonight.

[Chorus]

**D**  
Tell him what you want and baby he can find you anything you need,

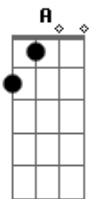

Tell him what you're needing. **Bm A**

**D**  
Come on Miracle aligner, go and get 'em tiger,

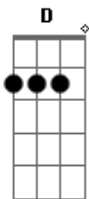

Get down on your knees,

Get down on your knees again. **Bm A**
