A  
Back there at the old times sometimes you used to cross my street  
Dbm  
You looked in my eyes and I felt like I couldn't blink  
Gb  
Once in a while I wished I had the guts to talk with you  
D E  
And I hope after all you know that I would if I could  
A  
But I was always such a shy kid and you were out of reach  
Dbm  
So every time I saw a falling star I made a wish  
Gb  
And deep inside I knew someday it has to become true  
D E  
You know I kept my faith in us my whole life through

A  
Time goes by and we must wait  
Dbm  
And God works in mysterious ways  
Gb  
Last week you met somebody new  
D E  
And all my world fell down

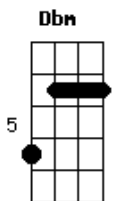

( A Dbm Gbm D E )  
( A Dbm Gbm D E )

A  
A year later you crossed my gate wearing a gold ring  
Dbm  
I heard you both got married in a pleasant day of spring  
Gb  
And now it has been a while since you packed your things and moved  
D E  
I really hope I have the chance to see you again soon
