

The Letter Black - Best Of Me

tom:
Capo: 3ª casa
Intro: C Em G D
C Em G D

[Primeira Parte]

If I could find yesterday
I would take You back to where I'm coming from
'Cause You can see the way
All these scars have kept me running
And chasing down the past
But I'm not done, I'm turning back

[Pré-Refrão]

I swear, You're the only reason I keep breathing
I swear, You keep on giving me the reason to keep believing

[Refrão]

Finally I'm worth it, though I'm not perfect
It still feels right, and I keep on giving
Trying to make a difference, in my life
But I know another way to show
Everything I can be for You
You're all that I'll ever need

I'll give you the Best of Me

(Em G D)

[Segunda Parte]

If I could read tomorrow's mind
I would know exactly where You're taking me
If I'm going to slip away
Or if I stay and give You all my trust
You will keep me safe
I know You won't let me fade

[Pré-Refrão]

[Refrão]

[Ponte]

Oh, I know I believe it
No, I will be turning around
I want to know You now
Your Love it won't let me down, no!

[Pré-Refrão]

(Refrão 2x)

[Final]

I swear, You're the only reason I keep breathing
I swear
