

The Letterman - Love Me Like a Stranger

Tom: **D**

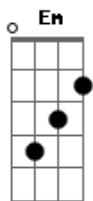

D **Em** **A**
 Dicen que los hombres no deben llorar
D **Bm**
 Por una mujer que ha pagado mas
Em **A**
 Pero yo no pude contener mi llanto
D
 Cerrando los ojos me puse a llorar
D
 Where is all the fire
Em **A**
 All the wild desire that we felt before?
Em
 That hunger in your touch
A
 That make you give so much
D
 And want me more and more
F **Bm**
 When it all began the woman and the man?
Em **A**
 Where wilder than the sea?
 Brighter than the sun
A7
 But look what time has done
D
 Today to you and me
Em **A**
 Can't we try pretending that we met today?
D **Bm**
 Letting our emotions carry us away
Em
 Tasting for the first time
A
 Lips we never kissed
D
 Recapturing the feeling
 That we both had missed

Em
 Love me like a stranger
A
 Who walked into my life
D
 Love me like this feeling
Bm
 Will only stay the night
Em **A**
 Hold me till i beg you not to say goodbye
D
 I want to meet the stranger hiding in your eyes
D **Em** **A**
 Dicen que los hombres no deben llorar
D **Bm**
 Por una mujer que ha pagado mas
Em **A**
 Pero yo no pude contener mi llanto
D
 Cerrando los ojos me puse a llorar
Em
 Love me like a stranger
