The Luke Branch - Ctrl+Alt+Del

```
                      tom:
                       Gbm
Intro:  Gb  A   D   B
```

```
Gb            A
Failing generation
D         B
Undercontrolling
Gb          A
My miscommunication
D           B
Is killing me slowly
```
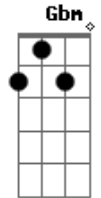

```
Gb                    A                      D   B
How many views do you get when you're desperated
Gb              A               D         B
You're dancing in the streets while someone kill your dreams
        Gb                  A
And you let them, and you let them
            D   B
Why you let them?
```
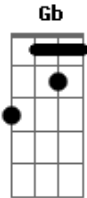

```
       B     A      Gb
Thats why I hate this things so much
       B     A      Gb
Delete my life, I dont give a fu-fu-fu-fu-fuck
```

```
( B   A   Gb )
```
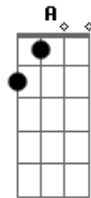

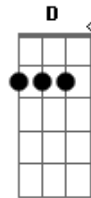

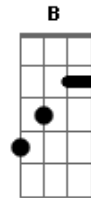

[Riff Intro]
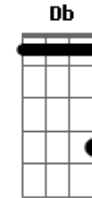

```
Gb                      A
The controversial feeling
D  (Db )   B
Can anyone hear me now?
Gb                  A
Can we stop pretending
D         (Db )   B
Our life is never ending?
Gb                              A
Controlled by these robots that tell you what you wear and
D              B
What you like, and what you buy
Gb    A
Oh why
D       B
(No way!)
```

```
       Gb      A          D       B
Collapsing my brain with this information
       Gb      A        D       B
Have no time to cry just comunication
       Gb      A        D        B        Gb  A
The social media is melting my generation's brains
        D         B
This  is the decay of our minds
```

(MOTHERFUCKER!)

```
       Gb          A
Just post, yo gotta post it
          D       B
Yo gotta post it post it now
```

(Até o final da música)
