

The Luke Branch - Night Goes On

tom:

E

Intro: E7

[Riff - Intro]

Girl, the night goes on. I belong with you

Baby baby baby what you wanna do?
And the night goes on and I'll go home with you

Baby baby baby I belong with you

Oh no, oh no, I don't know how to say

I'm in love with your lips, your kiss

Your eyes, your touch, your smile

I'm in love with the way you move

The way you dance with me

I'm in love with the way you sing

Without knowing the lyrics

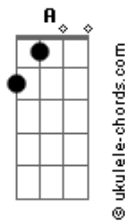

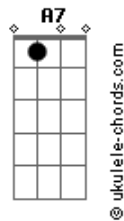

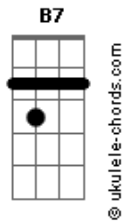

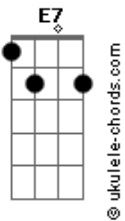

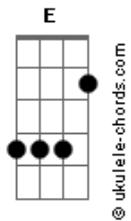

I'm in love with the way you cry

When you see a sad movie

But you don't know that I love you so

Girl, the night goes on. I belong with you

Acordes

Baby baby baby what you wanna do?

And the night goes on and I'll go home with you

Baby baby baby I belong with you

Oh no, oh no, I don't know how to say

I'm in love with your lips, your kiss

Your eyes, your touch, your smile

(Your smile)

I'm in love with the way you move

The way you dance with me

(Woho)

I'm in love with the way you sing

Without knowing the lyrics

(You don't know)

I'm in love with the way you cry

When you see a sad movie

(Oh no)

But you don't know

That I love you so
