The Lumineers - Angela

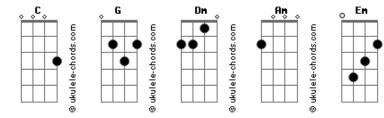

```
Tom: C
                                                               Home at last
  Intro: G Dm C (2x)
                                                                       G
                                                                                             Dm
                                                               Were you safe and warm in your coat of arms
        G
                                   Dm
When you left this town, with your windows down
                                                               With your fingers in a fist
      С
And the wilderness inside
                                                                       G
                                                                                                Dm
                           Dm
      G
Let the exits pass, all the tar and glass
                                                                     С
                                                               In the radio abyss?
    С
'Til the road and sky align
                                                                 G
                                                                                    Dm
  G
                                                               Strangers in this town
                         Dm
The strangers in this town
                                                                   С
                                                                                         Am
                                                               They raise you up just to cut you down

G Dm C A

Oh angela it's a long time coming
   С
                        Am
They raise you up just to cut you down
G Dm C
                                                                                        C Am
Oh angela it's a long time coming
                                                                 G
                                                                       Dm
                                                                                                     C
                                                               Oh angela spent your whole life running
                            Dm
                                                               2Refrão:
G C Em
And your volvo lights lit up green and white
        C
With the cities on the signs
                                                               Home at last
                                 Dm
                                                                    G Am Em
      G
But you held your course to some distant war
                                                               Home at last
    C
In the corners of your mind
                                                                    G
                                                                               Dm
                                                                                           С
                                                                                                        Am
                                                               Vacancy, hotel room, lost in me, lost in you
G Dm C Am
Angela, on my knees, I belong, I believe
        G
                        Dm
From the second time around
C Am
The only love I ever found
                                                               2Refrão: (2x)
