

The Lumineers - Brightside

tom:
Capostrate na 3ª casa

I can see it in the air
Everyone was like a smoke from a cigarette
You were blowin' in your hands
The heater broke in the Oldsmobile

And the light in your eyes
Alone on the freeway

I was stranded in the bed
You were listenin' to "The Dark Side of the Moon"

I could barely see your eyes
Psilocybin in a hotel room

And the light in your eyes
The waves on the ceiling

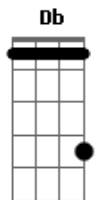

[Refrão]

I'll be your brightsid?, baby, tonight
I'll be your brightside, baby, tonight
Tonight

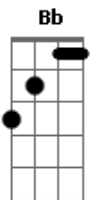

You wer? tired of Tacoma
I was tired of believing we were right
Losing every other friend
Finding nothing in the afterlife

But the light in your eyes
Alone on a feeling

[Refrão]

I'll be your brightsid?, baby, tonight
I'll be your brightside, baby, tonight
Tonight

You're stranded on the bridge
You're crying for your kids

[Refrão]

I'll be your brightside, baby, tonight
Tonight
Tonight
I can see it in the air
Everyone was like a smoke from a cigarette
Sun is coming up ahead
Catch a crack in the windshield shinin'

And the light in your eyes
Alone on the freeway

[Refrão]

I'll be your brightside, baby, tonight
I'll be your brightside, baby, tonight
Tonight

You're stranded on the bridge
The cops are closing in
I'll be your brightside, baby, tonight
Tonight
Tonight
