Bridge:

C
   And there was a time
                         G
When I stood in line for love, for love, for love
     F7M                   C
But I let you go, oh, I let you go
C
   And he fell apart

With this broken heart
     G
And this blood, this blood, this blood
     F7M                 C
Oh, it drains from my skin and dust

End:

C   C
F7M  C
F7M G C (stop)
