

## The Lumineers - Gun song

```
Tom: G
Intro:
            C
I don't own a single gun
But if I did you'd be
                       the one
To hold it, aim it, make all the bad men
                                          run
G D Em D C D G
But I don't own a
                    sin- gle gun
(G)
                 C
                        G
And I don't have a sweetheart yet
               C
                    G
But if I did I'd break my neck
                                       Em D G
To please her, make her wanna stay, in my arms she'd rest
    D Em D C D G
