tom:  
Capo: 2ª casa  
Intro: G G7 G G  
G G7 G G

On the last time we met

Your love was dead

You held my hand

Bit your tongue

Shut me out

Spilled my blood

All around

[Refrão]

Yeah, it wasn't easy to be happy for you

Yeah, I took the poison, praying you'd feel it too

You held your punches back, and I left the room

Yeah, it wasn't easy to be happy for you

( G G7 G G )  
( G G7 G G )

All alone

Your ax fell

We dragged you down

Gave me hell

Made your bed

Now you sleep

On your own

Guess we'll see

[Refrão]

Yeah, it wasn't easy to be happy for you

Yeah, I took the poison, praying you'd feel it too

You held your punches back, and I left the room

Yeah, it wasn't easy to be happy for you

I know that you tried

But you're no friend of mine

Falling apart

You played it the best

A dame in distress

Ooh

[Refrão]

Yeah, it wasn't easy to be happy for you

Yeah, wrapped my neck and prayed that you'd feel the noose

I saw the restaurant table for two

Yeah, it wasn't easy to be happy for you

Yeah, it wasn't easy to be happy for you

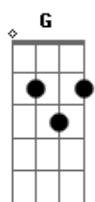

Yeah, I took the poison, praying you'd feel it too

You held your punches back, and I left the room

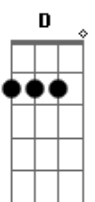

Yeah, it wasn't easy to be happy for you

Yeah, Yeah, Yeah
