Intro: Am F Am F

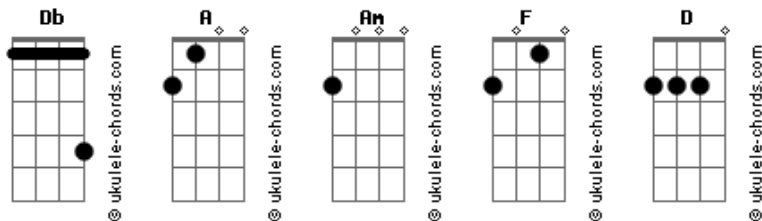

[Primeira Parte]

Am F  
Could it be I was the one that you held so deep in the night  
Am F  
On the back staircase you fell to your knees with tears in  
your eyes  
D F  
All that you suffered, all the disease  
D F  
You couldn't hide it, hide it from me

Am F  
All alone scared in your room, would you swear there's nobody  
home  
Am F  
On the bed laying awake as you prayed he'd leave you alone  
D F  
I'll let the darkness swallow me whole  
D F  
I need to find you, need you to know

Am F D F  
I'll be your friend in the daylight again  
Am F D F  
There we will be, like an old enemy  
D F

From the destruction, out of the flame

You need a villain, give me a name

I'll be your friend in the daylight again  
Am F D F  
There we will be, like an old enemy
